

1. When a student grants you access to his/her information, you will receive an email notification.

Dear Mom Student,  
You have been granted access to U. Student's University of Minnesota student data.  
You will be able to access the following:  
- Class Schedule  
- Financial Aid  
- Student Account

Before you begin:

1. You may already have an account with us. If you do, creating a new one will delay your registration.
2. If you know your University account ID and password and have recently logged in, you may proceed to the Registration Steps below.
3. If you do not know your ID and password, but have at any time attended or worked at the University (or are the parent of a previous student), please contact us at 612-301-4357 or [help@umn.edu](mailto:help@umn.edu) to verify and reactivate your account.
4. Once your account is verified and activated, proceed to the steps below.
5. If you have never been employed by or attended the University, and have never had a previous student attend, you may proceed to the steps below now to create a new account.
6. Note: do not use the same browser session your student used to invite you. If you are using the same computer, clear your browsing history and open a new browser before proceeding. For tips on how to do this visit [this link](#).

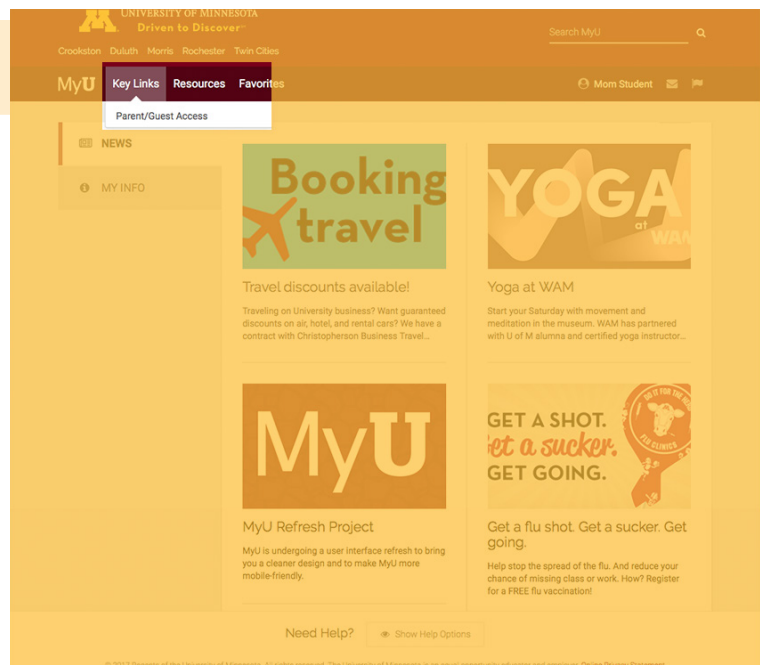

Registration Steps:

1. Visit [this link](#) to access the University of Minnesota system.
2. Enter the following two pieces of information (these steps are only required the first time you access Nicolai Kessler's information):
  - The Security Key: **6pphQto**
  - The email address where this notification was sent.

2. Take note of the security key provided and follow the link in the instructions.

3. Enter the security code and your email, accept the Terms and Conditions, and click **Continue**.
4. If you have an account, enter your ID and password and click **Continu**.  
If you do not have an account, complete your registration, then go to [myu.umn.edu](http://myu.umn.edu) and log in.

5. Select the **Parent/Guest Access** from Key Links.

6. View the access that has been provided to you.
