

VIEW A WHAT-IF APAS

1. Log into **MyU** and select the **Academics** tab.
2. Click the **APAS** link.

3. Click the **“Run a What-if APAS”** link at the top of the page.

The screenshot shows the University of Minnesota APAS interface. At the top, there is a navigation bar with the University of Minnesota logo and the text 'UNIVERSITY OF MINNESOTA Driven to Discover®'. Below this, there is a header with 'Twin Cities - College of Education & Human Development' and a 'Settings' dropdown. The main content area is titled 'Request an APAS' and contains a section for 'Run Declared Programs'. A link labeled 'Run a What-if APAS' is highlighted in a blue box. Below this, there is a section for 'Currently Selected: Twin Cities - College of Education & Human Development' with instructions on how to run a What-if for a different campus. The form includes dropdown menus for 'College' (set to '117 - Twin Cities - College of Liberal Arts') and 'Program' (set to 'English BA'), and a 'Catalog Year' dropdown (set to 'Most Current Term'). A 'Clear Selections' button is located to the right of the Catalog Year dropdown. At the bottom of the form, there is an 'Advanced Settings' link and a 'Run What-if APAS' button.

4. Select the appropriate college and program from the drop-down menus. The catalog year automatically populates the current term.

5. Click the **“Run What-if APAS”** button at the bottom of the page.

This screenshot is identical to the previous one, showing the University of Minnesota APAS interface. The 'Run a What-if APAS' link is no longer highlighted. Instead, the 'Run What-if APAS' button at the bottom of the form is highlighted in a dark red box. The rest of the interface, including the navigation bar, header, and form fields, remains the same.

6. View the What-if APAS.
